"The audience was engaged for your entire presentation, well done and great insights."

**-Dr. E. Scott Lathrop,
Syracuse University**

» RYAN PRUCKER

Image Specialist & Speaker

Helping students discover what they know and how to show it is essential to securing their ideal job. By tapping in to pop culture and how image defines success, this unique program attracts and inspires participants to take action. Students connect with terms and strategies that can help them tell their story, create a stand-out resume and look like a top notch professional. Audiences learn techniques they can immediately use to powerfully present the benefits they offer in a dynamic way.
